Phil 70: Introduction to Philosophy
Chaffey College – Spring 2014

Course Evaluation – Qualitative

What was your overall experience in this class?

My overall experience in this class was very unique. It made me open my mind about certain beliefs. I also learned new things on every class meeting. Also, the professor and classmates were a great group to converse with and share thoughts.

How would you describe this professor?

Laidback and knowledgeable.

Chaffey College – Spring 2014

Course Evaluation – Qualitative

What was your overall experience in this class?

I love this class! The top subject really appeals to me so that's probably why I loved it so much. The teacher was able to discuss the topics very clearly so that we all understood. By far, this has been the best, funnest class I have ever had and I would gladly take another one of Mr. Mittendorf's classes.

How would you describe this professor?

- smart
- funny
- clear
- informative
- timely

* Phil is a hard concept sometimes but Mr. Mittendorf was able to explain everything so that I understood 100%
Love Love Love this class!

Phil 70: Introduction to Philosophy
Chaffey College – Spring 2014

Course Evaluation – Qualitative

What was your overall experience in this class?

My experience was very helpful
I learned a lot, Religion, Beliefs,
and philosophy make you really think
that there's more out there to learn.

How would you describe this professor?

His awesome, a very good
professor, Highly Recommended,
It was a pleasure to have him.

R. W. Mittendorf
Phil 70: Introduction to Philosophy
Chaffey College – Spring 2014

Course Evaluation – Qualitative

What was your overall experience in this class?

Very insightful. Despite Philosophy's (in general) lack of specific answers, the thoughts and critical thinking I have made in regards to the subject matter has altered, for the better, my ~~analytical~~ analytical process. I think Philosophy is an essential part of anyone's education.

How would you describe this professor?

Excellent, unbiased, and highly accomodative.
Seems like Mr. Mittendorf knows his stuff!

Phil 70: Introduction to Philosophy
Chaffey College – Spring 2014

Course Evaluation – Qualitative

What was your overall experience in this class?

I had a great experience with this class.
It was very intellectually stimulating
and was an overall fun class to take
(even if it was in the early morning)

How would you describe this professor?

I would describe him as very
energetic and genuinely excited
about teaching and talking about
philosophy.

Phil 70: Introduction to Philosophy

Chaffey College - Spring 2014

Course Evaluation - Qualitative

What was your overall experience in this class?

I took this class last semester with a different professor & ~~tw~~ this semester I was so thankful to joying the class just for the fact that I was able to understand more carefully the subject.

How would you describe this professor?

He is very careful with his thoughts & cares about the students being able to process & understand the different topics with in the class.

R. W. Mittendorf
Phil 70: Introduction to Philosophy
Chaffey College – Spring 2014

Course Evaluation – Qualitative

What was your overall experience in this class?

This class had me think outside of what I believe it had me question my beliefs a lot, and help me become stronger in my beliefs

How would you describe this professor?

He is very helpful, great professor, very knowledgeable and ~~I would~~ made class fun. ~~was~~

Course Evaluation – Qualitative

What was your overall experience in this class?

engaged and organized, entertaining.

How would you describe this professor?

excellent, very helpful and kind.

R. W. Mittendorf
Phil 70: Introduction to Philosophy
Chaffey College – Spring 2014

Course Evaluation – Qualitative

What was your overall experience in this class?

Originally I thought I would hate this class as I tried to take philosophy years ago. Mr. Mittendorf ~~total~~ connects to his students in a way that makes learning these complicated theories fun and easy to understand. This has definitely changed my opinion of philosophy.

How would you describe this professor?

Awesome! Thank you!

R. W. Mittendorf
Phil 70: Introduction to Philosophy
Chaffey College – Spring 2014

Course Evaluation – Qualitative

What was your overall experience in this class?

I learned a lot and it really made me think about why I believe things. After taking this class, I ~~was~~ actually have reasoning behind my beliefs.

How would you describe this professor?

- keeps class fun.
- cares more about understanding and discussing ideas than excessive homework.
- very helpful.

R. W. Mittendorf
Phil 70: Introduction to Philosophy
Chaffey College – Spring 2014

Course Evaluation – Qualitative

What was your overall experience in this class? It was a phenomenal class, I'm glad I chose to take it Saturday mornings as the hours went by really fast and before I knew it I was wishing class was longer, sometimes even staying after to discuss with certain classmates.

How would you describe this professor? The professor was very helpful and well informed on the course. He made the class entertaining and readily available. It was easy to stay focused and engaged into daily class sessions and discussion.

Course Evaluation – Qualitative

What was your overall experience in this class?

The class was really engaging. There was plenty of time for open discussion / debate. This time really helped in developing critical thinking skills and conversation skills. It was fun and yet, knowledgeable experience.

How would you describe this professor?

Professor Mittendorf is a really nice professor. He was very knowledgeable, yet he left himself open minded for new information from students. ~~It is~~ He was great at getting people to be engaged and open. "Thank you for the semester!"

& professor.

Overall experience:

Very informative class. Lot of fun & really makes you think. Mittendorf was extremely educated and seemed legitamitely interested in what we thought. Homework load was fine, midterms & final was challenging but not overwhelming. would definitely reccomend. Good job!!
